

UMCOR Health Kits

UMCOR Supply Kits help to care for the most vulnerable people during times of crisis and help to sustain everyday life by providing basic necessities to people who lack ready access to essential supplies. By donating kit supplies for financial gifts to purchase the supplies, you make a direct, tangible difference in sustaining people's lives.

Health Kit Items Value: \$12.00 per kit

Place these items inside a sealed one-gallon plastic bag:

Important Kit Assembly Information:

- All items included in kits must be NEW items.
- All emergency kits are carefully planned to make them useable in the greatest number of situations. Since strict rules often govern product entry into international countries, it is important that kits contain only the requested items - nothing more.
- Do NOT include any personal notes, money, or additional materials in the kits. These things must be painstakingly removed and will delay the shipment.

Processing & Shipping Costs: Please enclose an envelope containing at least \$1.00 for each kit you send. This donation enables kits to be sent without delay to areas in need.
