

Legacy Society

Bethany United Methodist Church

When we were received into membership in Bethany United Methodist Church we were reminded that:

“The Church is of God, and will be preserved to the end of time, for the conduct of worship and the due administration of God’s Word and Sacraments, the maintenance of Christian fellowship and discipline, the edification of believers, and the conversion of the world.”

Through your support of the Permanent Endowment Fund you can provide funding for the fulfillment of that grand vision. The Bethany United Methodist Church Legacy Society is comprised of those who have made a commitment to the long term legacy of the church, a legacy that will go on beyond the lifetime of any of the contributors. Members of the Legacy Society have made provisions in their will and estate plan to provide ongoing financial support beyond their lifetime. Some members of the Legacy Society have made current contributions to the Permanent Endowment Fund that will provide for more immediate expansion of the church’s ministry. Special Purpose Funds may also be established with a minimum gift of \$10,000.
